This memorandum is illegitimate. There are numerous issues with the memo, to include the fact that COL Chase is not a member of the 2d Battalion, 75th Ranger Regiment. There is also no NW Division of the 75th Ranger Regiment, also with regards to the Deputy Command structure of the 75th Ranger Regiment, all Deputy Commanders are located at Fort Benning, GA. While I cannot comment on the validity of Mr. Whites claim to be a member of the 75th Ranger Regiment, I can tell you that this memorandum is not legitimate. I have attached a sample memorandum of what correspondence from our battalion would look like. Please let me know if you need any further assistance.

[REDACTED] - Thank you for your time today. I have attached the letter in question. For numerous reasons, I do not believe this letter came from your Base nor from Colonel David Chase. This letter was provided to me by an ex-army private Bradley White. I simply need to know whether this letter is legitimate or not. Thank you.
