7. ALCOHOL AND DRUG ABUSE:

a. I understand that the Army's policy on alcohol and drug abuse is that the Army must prevent alcohol and drug abuse in order to

perform its mission to defend the United States, to ensure its combat readiness, and to protect the health and welfare of its soldiers. I understand that service in the United States Army places me in a position of special trust and responsibility. Any drug abuse by soldiers of the United States Army is against the law, violates Army standards of behavior and duty performance, and will not be tolerated. Alcohol abuse involving criminal acts or conduct detrimental to the Army or good order and discipline will also not be tolerated. The illegal use of narcotics, or prescription drugs, or any use of marijuana or other illegal substances by soldiers can lead to criminal prosecution and/or discharge under other than honorable conditions. If I am identified for either alcohol or drug abuse, including the use or possession of marijuana, appropriate disciplinary and/or administrative action may be taken against me. This may include trial by court—martial or administrative separation from the Army.

b. I understand that certain Military Occupational Specialties (MOS) in the Army cannot be performed by persons who have used marijuana or other drugs. 8. RELIGIOUS PRACTICE ACCOMMODATION:

- a. I understand the Department of the Army's policy on accommodation of religious practices is to accommodate religious practices when accommodation will not have an adverse impact on military readiness, unit cohesion, standards, health, safety, or discipline. The Army places a high value on the rights of its soldiers to observe the tenants of their respective religions. Unit commanders are authorized to initially approve or deny requests for accommodation of religious practices. Conditions of accommodation may change based on military need. Policy guidelines are contained in AR 600–20 and AR 165–1 which my guidance counselor has available for me to read. I understand that the Army cannot guarantee accommodation of religious practices.
- b. I further state that I have been given the opportunity to read or I have read the policy in AR 600-20 and AR 165-1.

- a. U.S. Army will not condone any person who violates the rights of; or discriminates against; any person because of their gender. Further, I understand that:
 - Sexual harassment is a form of gender discrimination that involves unwelcome sexual advances, requests for sexual
 favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of such conduct is made
 either explicitly or implicitly a term or condition of a person's job, pay, or career;
 - (2) Submission to or rejection of such conduct by a person is used as a basis for career or employment decisions affecting that person; or such conduct interferes with an individual's performance or creates an intimidating, hostile, or offensive environment.

- (3) Any soldier or civilian employee in a supervisory or command position who uses or condones implicit or explicit sexual behavior to control, influence, or affect the career, pay, or job of another soldier or civilian employee is engaging in sexual harassment. Who makes deliberate or repeated unwelcome verbal comments, gestures, or physical contact of a sexual nature is engaging in sexual harassment. Sexual harassment is not limited to the workplace, can occur at almost any place, and violates acceptable standards of integrity and impartiality required of all Army personnel. It interferes with mission accomplishment and unit cohesion. Such behavior by soldiers or Army civilians will not be tolerated.
- (4) I fully acknowledge that I have the duty and responsibility to report immediately any violation of the above stated policy. In addition, I acknowledge that I am aware of the Army policy stated above and any violation could be grounds for adverse action or criminal charges under the Uniform Code of Military Justice.  - (6) Exchange of money; to include loaning, giving, receiving, or borrowing.
 - (7) Exchange of personal property; to include selling, purchasing, leasing, giving, receiving, loaning, and borrowing.
- I understand that Future Soldier Program functions are official in nature and are not considered personal, social activity; therefore, the above rules still apply to those functions.
- c. I understand that if I become aware of any recruiting personnel violating any of these rules, I will report it immediately to the Battalion Executive Officer whose telephone number is: (717) 737–3636.
- d. I understand that between recruiting personnel and Future Soldiers there will be no sex, no dating, no sleepovers, no sharing of property, no drinking of alcohol, no financial deals, no improper touching, no profane language, no verbal sexual suggestions, and no sexual harassment.

12. PARTICIPATION IN EXTREMIST ORGANIZATIONS OR ACTIVITIES:

a. I have been advised that participation in extremist organizations or activities is inconsistent with the treatment for all soldiers without regard to race, color, religion, sex, or national origin. Enforcement of responsibilities of military service. It is the policy of the U.S. Army to provide equal opportunity and the Army's equal opportunity policy is a responsibility of command, is vitally important to unit cohesion and morale, and is essential to the Army's ability to accomplish its mission. It is the commander's responsibility to maintain good order and discipline in the unit. Every commander has the inherent authority to take appropriate actions to accomplish this goal. This paragraph identifies prohibited actions by soldiers

involving extremist organizations or activities, discusses the authority of the commander to establish other prohibitions, and establishes that violation of the prohibitions contained in this paragraph or those established by a commander may result in prosecution under various provisions of the Uniform Code of Military Justice (UCMJ).

- (1) Participation. Military personnel must reject participation in extremist organizations and activities. Extremist organizations and activities are ones that advocate racial, gender, or ethnic hatred or intolerance; advocate, create, or engage in illegal discrimination based on race, color, sex, religion, or national origin; advocate the use of or use force or violence or unlawful means to deprive individuals of their rights under the United States Constitution or the laws of the United States or any State; or advocate or seek to overthrow the Government of the United States, or any State by unlawful means.
- (2) Prohibitions. Soldiers are prohibited from the following actions in support of extremist organizations or activities. Penalties for violation of these prohibitions include the full range of statutory and regulatory sanctions, both criminal (UCMJ) and administrative.
- (3) Participating in a public demonstration or rally.
- (4) Attending a meeting or activity with knowledge that the meeting or activity involves an extremist cause when on duty, when in uniform, when in a foreign country (whether on- or off-duty or in uniform), when it constitutes a breach of law and order, when violence is likely to result, or when in violation of off-limits sanctions or a commander's order;
- (5) Fund-raising:
- (6) Recruiting or training members (including encouraging other soldiers to join);
- (7) Creating, organizing, or taking a visible leadership role in such an organization or activity; or
- (8) Distributing literature on or off a military installation the primary purpose and content of which concerns advocacy or support of extremist causes, organizations, or activities and it appears that the literature presents a clear danger to the loyalty, discipline, or morale of military personnel, or if the distribution would materially interfere with the accomplishment of a military mission.
- b. I acknowledge that I have read and fully understand the Army's policy regarding a soldier's participation in extremist organizations or activities. If I request, a complete copy of AR 600–20, paragraph 4–12, will be provided to me.

13. UNIFORM AND APPEARANCE:

- a. I acknowledge that I have been informed of the U.S. Army uniform and appearance policy. I understand that:
 - (1) AR 670-1 (Wear and Appearance of Army Uniforms and Insignia) contains personal appearance policies which I will be required to comply with. Soldiers are expected to maintain good daily hygiene and wear their uniform so as not to detract from an overall military appearance.
 - (2) I have been informed that provisions of AR 670-1 as it applies to personal appearance include specific policy with regard to body markings.
 - (3) The current policy is as follows:
 - (a.) Any person with a tattoo on the head, neck, scalp, or face will not be accepted. Furthermore, regardless of a tattoo's location, any tattoo deemed offensive, racist, profane, and/or linked to a criminal activity or extremist group may be denied enlistment.
 - (b.) TATTOOING in areas of the body (i.e., face, legs, hands, fingers, etc.,) that would cause the tattoo to be exposed in a Class A Uniform would detract from a soldierly appearance.

- (c.) Any person who is not in compliance with AR 670-1 as it applies to tattoos will not be accepted for enlistment in the U.S. Army.
- b. I have been advised that while a member of the U.S. Army, to include the Delayed Entry Program, I may not violate the above policy. I will refrain from obtaining any body markings or I may be denied entry for violation of the above expressed policy.
- c. I hereby state that I have revealed the existence of all tattoos during my medical examination. I have further revealed to my recruiter, or guidance counselor that I have markings (tattoos).

I DO NOT HAVE ANY TATTOOS.

14. MILITARY SERVICE OBLIGATION UNDERSTANDING:

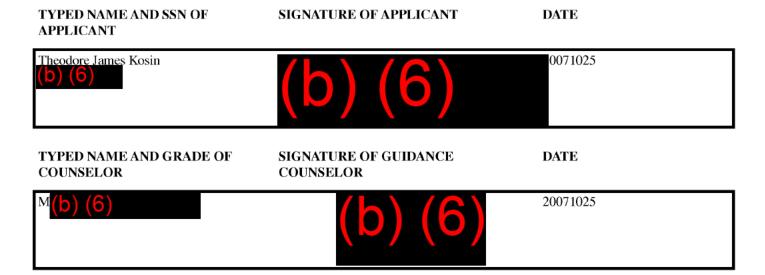

I understand that an original enlistment in the US Armed Forces obligates me to an eight (8) year Military Service Obligation. My term of enlistment in the Regular Army is creditable towards that obligation, as was any enlistment in the Delayed Entry Program. In the event that the Secretary of the Army determines that military necessity of a national scope requires that soldiers be available for assignment/reassignment or training, any or all guarantees contained in this agreement may be terminated. Under these conditions I may be trained, assigned or reassigned according to the needs of the Army.

AUTHENTICATION

15. I have read and understand the statements above and that these statements are intended to constitute ALL promises and guarantees whatsoever concerning my enlistment. No other (verbal or otherwise) promise or representation not annexed to my enlistment contract is valid or will be honored. 7. SURE PAY:

- a. As part of my enlistment contract, I hereby acknowledge and agree that I have the duty and responsibility, to establish and maintain an account with a United States financial institution such as a bank, savings and loan, or credit union for the direct deposit/receipt of my Army net pay and allowances. I will have in my possession a completed direct deposit form from a financial institution, an ATM Card and or checks prior to shipping to access funds during training.
- b. I understand that prior to reporting on Active Duty, I am required to establish an account with the U. S. financial institution for direct deposit/receipt of my Army net pay and allowances, and execute the appropriate forms prior to or immediately to ensure my Army net pay and allowances are deposited directly into my account. I understand I may freely choose or change U. S. financial institutions to satisfy this requirement. I understand that I will continue to have the duty and responsibility to maintain such an account for direct deposit/receipt of my Army net pay allowances so long as I remain in service, unless I receive a specific exemption from this requirement from the Army. I understand that failure to establish and maintain an account as described above, in the absence of a specific exemption, may subject me to administrative action and/or disciplinary action under the Uniform Code of Military Justice or state military code.

8. ALCOHOL AND DRUG ABUSE:

- a. I understand that the Army's policy on alcohol and drug abuse is that the Army must prevent alcohol and drug abuse in order to perform its mission to defend the United States, to ensure its combat readiness, and to protect the health and welfare of its soldiers. I understand that service in the United States Army places me in a position of special trust and responsibility. Any drug abuse by soldiers of the United States Army is against the law, violates Army standards of behavior and duty performance, and will not be tolerated. Alcohol abuse involving criminal acts or conduct detrimental to the Army or good order and discipline will also not be tolerated. The illegal use of narcotics, or prescription drugs, or any use of marijuana or other illegal substances by soldiers can lead to criminal prosecution and/or discharge under other than honorable conditions. If I am identified for either alcohol or drug abuse, including the use or possession of marijuana, appropriate disciplinary and/or administrative action may be taken against me. This may include trial by court–martial or administrative separation from the Army.
- b. I understand that certain Military Occupational Specialties (MOS) in the Army cannot be performed by persons who have used marijuana or other drugs. (b) (6)

9. RELIGIOUS PRACTICE ACCOMMODATION:

- a. I understand the Department of the Army's policy on accommodation of religious practices is to accommodate religious practices when accommodation will not have an adverse impact on military readiness, unit cohesion, standards, health, safety, or discipline. The Army places a high value on the rights of its soldiers to observe the tenants of their respective religions. Unit commanders are authorized to initially approve or deny requests for accommodation of religious practices. Conditions of accommodation may change based on military need. Policy guidelines are contained in AR 600–20 and AR 165–1 which my guidance counselor has available for me to read. I understand that the Army cannot guarantee accommodation of religious practices.
- b. I further state that I have been given the opportunity to read or I have read the policy in AR 600-20 and AR 165-1.

10. FITNESS TRAINING UNIT:

- a. I understand that all recruits reporting for Basic Combat Training (BCT) and One Station Unit Training (OSUT) will be assessed on their physical fitness during processing at the Reception Battalion.

11. SEXUAL HARASSMENT:

- a. The U.S. Army will not condone any person who violates the rights of; or discriminates against; any person because of their gender. Further, I understand that:
 - Sexual harassment is a form of gender discrimination that involves unwelcome sexual advances, requests for sexual
 favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of such conduct is made
 either explicitly or implicitly a term or condition of a person's job, pay, or career;
 - (2) Submission to or rejection of such conduct by a person is used as a basis for career or employment decisions affecting that person; or such conduct interferes with an individual's performance or creates an intimidating, hostile, or offensive environment.
 - (3) Any soldier or civilian employee in a supervisory or command position who uses or condones implicit or explicit sexual behavior to control, influence, or affect the career, pay, or job of another soldier or civilian employee is engaging in sexual harassment. Who makes deliberate or repeated unwelcome verbal comments, gestures, or physical contact of a sexual nature is engaging in sexual harassment. Sexual harassment is not limited to the workplace, can occur at almost any place, and violates acceptable standards of integrity and impartiality required of all Army personnel. It interferes with mission accomplishment and unit cohesion. Such behavior by soldiers or Army civilians will not be tolerated.
 - (4) I fully acknowledge that I have the duty and responsibility to report immediately any violation of the above stated policy. In addition, I acknowledge that I am aware of the Army policy stated above and any violation could be grounds for adverse action or criminal charges under the Uniform Code of Military Justice. If a violation of the above policy occurs while I am a member of the Delayed Entry/Training Program, I may contact the U.S. Army Recruiting Battalion Executive Officer or Commander at (717) 770–7140.
- b. The U.S. Army has zero tolerance for conduct or behavior that violates the policy stated above.

SN: (b) (6)

c. The Army policy stated above may be found in Army Regulation 600-20, Army Command Policy.

12. PARTICIPATION IN EXTREMIST ORGANIZATIONS OR ACTIVITIES:

- a. I have been advised that participation in extremist organizations or activities is inconsistent with the treatment for all soldiers without regard to race, color, religion, sex, or national origin. Enforcement of responsibilities of military service. It is the policy of the U.S. Army to provide equal opportunity and the Army's equal opportunity policy is a responsibility of command, is vitally important to unit cohesion and morale, and is essential to the Army's ability to accomplish its mission. It is the commander's responsibility to maintain good order and discipline in the unit. Every commander has the inherent authority to take appropriate actions to accomplish this goal. This paragraph identifies prohibited actions by soldiers involving extremist organizations or activities, discusses the authority of the commander to establish other prohibitions, and establishes that violation of the prohibitions contained in this paragraph or those established by a commander may result in prosecution under various provisions of the Uniform Code of Military Justice (UCMJ).
 - (1) Participation. Military personnel must reject participation in extremist organizations and activities. Extremist organizations and activities are ones that advocate racial, gender, or ethnic hatred or intolerance; advocate, create, or engage in illegal discrimination based on race, color, sex, religion, or national origin; advocate the use of or use force or violence or unlawful means to deprive individuals of their rights under the United States Constitution or the laws of the United States or any State; or advocate or seek to overthrow the Government of the United States, or any State by unlawful means.
 - (2) Prohibitions. Soldiers are prohibited from the following actions in support of extremist organizations or activities. Penalties for violation of these prohibitions include the full range of statutory and regulatory sanctions, both criminal (UCMJ) and administrative.
 - Participating in a public demonstration or rally.
 - (4) Attending a meeting or activity with knowledge that the meeting or activity involves an extremist cause when on duty, when in uniform, when in a foreign country (whether on- or off-duty or in uniform), when it constitutes a breach of law and order, when violence is likely to result, or when in violation of off-limits sanctions or a commander's order;
 - (5) Fund-raising:
 - (6) Recruiting or training members (including encouraging other soldiers to join);
 - (7) Creating, organizing, or taking a visible leadership role in such an organization or activity; or
 - (8) Distributing literature on or off a military installation the primary purpose and content of which concerns advocacy or support of extremist causes, organizations, or activities and it appears that the literature presents a clear danger to the loyalty, discipline, or morale of military personnel, or if the distribution would materially interfere with the accomplishment of a military mission.
- b. I acknowledge that I have read and fully understand the Army's policy regarding a soldier's participation in extremist organizations or activities. If I request, a complete copy of AR 600–20, paragraph 4–12, will be provided to me.

13. UNIFORM AND APPEARANCE:

- a. I acknowledge that I have been informed of the U.S. Army uniform and appearance policy. I understand that:
 - (1) AR 670-1 (Wear and Appearance of Army Uniforms and Insignia) contains personal appearance policies which I will be required to comply with. Soldiers are expected to maintain good daily hygiene and wear their uniform so as not to detract from an overall military appearance.
 - (2) I have been informed that provisions of AR 670-1 as it applies to personal appearance include specific policy with regard

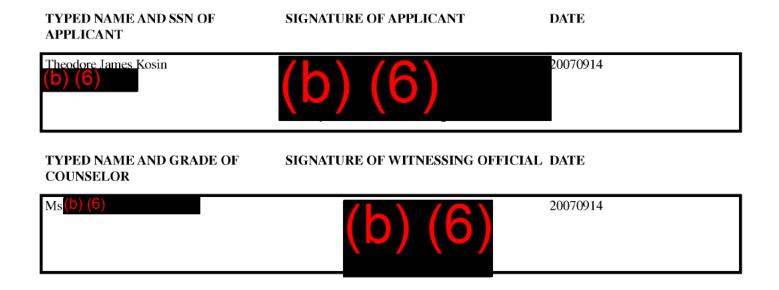

to body markings.

- (3) The current policy is as follows:
 - (a.) Any person with a tattoo on the head, neck, scalp, or face will not be accepted. Furthermore, regardless of a tattoo's location, any tattoo deemed offensive, racist, profane, and/or linked to a criminal activity or extremist group may be denied enlistment.
 - (b.) TATTOOING in areas of the body (i.e., face, legs, hands, fingers, etc.,) that would cause the tattoo to be exposed in a Class A Uniform would detract from a soldierly appearance.
 - (c.) Any person who is not in compliance with AR 670-1 as it applies to tattoos will not be accepted for enlistment in the U.S. Army.
- b. I have been advised that while a member of the U.S. Army, to include the Delayed Entry Program, I may not violate the above policy. I will refrain from obtaining any body markings or I may be denied entry for violation of the above expressed policy.
- c. I hereby state that I have revealed the existence of all tattoos during my medical examination. I have further revealed to my recruiter, or guidance counselor that I have markings (tattoos).

I DO NOT HAVE ANY TATTOOS.

AUTHENTICATION

14. I have read and understand the statements above and that these statements are intended to constitute ALL promises and guarantees whatsoever concerning my enlistment. No other (verbal or otherwise) promise or representation not annexed to my enlistment contract is valid or will be honored. I hereby state that I have NOT been promised anything other than what is written on this form and hereby waive any claim based upon any promise or representation not annexed to my contract. I further state that I have provided my recruiter and guidance counselor all information concerning my qualifications and that no official in the U.S. Army or any other agency has advised me to conceal, nor have I concealed information in connection with my enlistment.
